

 **2**  
Bedrooms

 **1**  
Bathroom

Surprisingly back on the market, Glenmore properties are keen to market this semi-detached bungalow consisting of 2 bedrooms, 1 bathroom, a reception, a kitchen, and a small extension to the rear. There is a large garden and a separate gated entrance leading directly to this space. The accommodation includes off street parking and is located in a quiet and residential lane.

The house requires modernisation and is a perfect investment opportunity to take on. Viewings are advised.
