Greengate Residential are proud to offer for Sale this heavily extended 6/8 bedroom end of terrace house. The property has been carefully extended by its current vendors to offer spacious accommodation to their expanding family. The property offers two large reception rooms on the ground floor with a fully fitted kitchen/diner, downstairs W/C and access to the garage. Further benefits also include 6 bedrooms to the first floor including a bathroom and separate W/C, with a further two rooms in the loft. The property is located within a short walk to local bus links on Hedge Lane and also walking distance to Palmers Green's BR Station and shopping facilities.

In our opinion the property also has scope to be further developed into flats (S.T.P.P).

Strictly by Appointment Only.
